

# **International Academy of Toxicologic Pathology (IATP)**

---

**An Organ of IFSTP**

**Global Accreditation of  
Expert Toxicologic Pathologists**

Hugh E. Black, D.V.M., Ph.D.  
Secretary General, IFSTP

## International Academy of Toxicologic Pathology

---

# Global accreditation of expert toxicologic pathologists

## Purpose

- Recognize and accredit highly accomplished toxicologic pathologists (all regions)
  - Highly competent
  - Broadly experienced
  - Have contributed significantly to knowledge of toxicology
  - Have applied knowledge to enhance public safety
- Fellow of the IATP

# International Academy of Toxicologic Pathology

---

## History of IATP

- **Concept Presented**
  - 1<sup>st</sup> IFSTP Meeting, Nagoya, Japan, 1992
  
- **Executive Committee Established**
  - 3<sup>rd</sup> IFSTP Meeting, Cambridge, England, 1998
  
- **Established IATP Bylaws**
  - STP Meeting, Washington, DC, USA, 1999
  
- **Incorporated**
  - January 4, 2001

## International Academy of Toxicologic Pathology

---

### Currently 40 Fellows of IATP

- From academia, government and industry
  - 13 Asia
  - 11 Europe
  - 16 North America

## International Academy of Toxicologic Pathology

---

### **Accreditation Committee** *evaluates applications*

- Chairperson: Prof. Charles Capen, Ohio State University
- Members:
  - Japan: Kunio Doi, Dai Nakae, and Tomoyuki Shirai
  - Europe: John Ishmael, Eberhard Karbe, and Jeff Vos
  - N. Am.: Hugh Black, Charles Capen, and Gary Williams

# International Academy of Toxicologic Pathology

---

## Assignment of Points

### Section 1

#### Education

- Degree(s)
- Postgraduate Training
- Board Certification

### Section 2

#### Professional Experience

- Reports / Publications
- Career Progress
- Editorial Responsibilities

### Section 3

#### Demonstrated Scientific Judgment and Recognition

- Scientific Judgment
- Participation – Professional Societies
- Invited Papers
- Awards

## International Academy of Toxicologic Pathology

---

### Accreditation Process

- Resume submitted
- Resume scored independently by each committee member
  - Scored against 3 major sets of criteria
- Scores submitted to chairman
- Chairman submits results to Executive Committee

## International Academy of Toxicologic Pathology

---

### **Expanded vision**

#### **Provide**

- Guidance to regulatory bodies
- Expert opinion on controversial scientific issues
- Leadership in global educational standards
- Enhance global knowledge sharing
- Support development of new STPs
- Have impact on global health care

## International Academy of Toxicologic Pathology

---

**Academy welcomes  
experienced scientists who seek  
to improve the awareness and quality  
of toxicologic pathology  
throughout the world**

## International Academy of Toxicologic Pathology

---

# Applications & Forms

**Michael J. Iatropoulos, MD, PhD**

Secretary/Treasurer, IATP

Professor of Pathology

New York Medical College

Basic Science Building

Valhalla, NY 10595
